

Norman Bailey-Powers

I am very proud to be given the opportunity to be a Parent Governor of Downe Manor.

I am a father of four children, three of which currently attend the school (Nathan in year 6, Ryan in year 3 and Olivia in year 2).

I have worked in the IT industry for 20 years in different technical and management roles; I currently work as the Lead IT Architect within the travel industry. I also work as a part-time volunteer Football Coach and a mentor for

a homeless charity.

During my school years I played the Cello in the Brent Symphony Orchestra; I represented my local borough Brent and the Middlesex County at football, track & field athletics; and achieved the academic results to go to university.

I opted to be a parent governor to help the school deliver the first class education and facilities our children deserve; which will enable them to develop to their full potential.
